

The 3rd Annual Future Soldier Technology USA Conference to take place in 2 weeks

SAE Media Group reports: Registration closes in less than two weeks for the Future Soldier Technology USA Conference, taking place in Arlington, VA, this June.

ARLINGTON, VIRGINIA, USA, May 26, 2022 /EINPresswire.com/ -- Registrations will close soon for the highly anticipated [Future Soldier Technology USA](#) Conference, which will return as a live, in-person conference in Arlington, VA, on June 7th and 8th, 2022.

The banner features the title "FUTURE SOLDIER TECHNOLOGY USA" in large, bold letters, with "7TH-8TH JUNE 2022" and "The Hilton Arlington, Virginia" below it. On the left is an image of a soldier in full combat gear. On the right, it lists the "Lead Sponsor: Glenair" and "Sponsors and Exhibitors: Marathon, Ovzon, and Persistent Systems". The SAE Media Group logo is in the top right corner.

Future Soldier Technology USA Conference | June 7th-8th, 2022, Arlington, VA

Future Soldier Technology USA is an excellent opportunity to meet and network with service providers and military and government end-users from North America to discuss updates on future soldier programmes and listen to exclusive expert-led presentations based on operational case studies and research.

Guest passes are available for US Military & DOD Personnel. To apply, please contact Jack Overell at joverell@smi-online.co.uk. For those interested in attending, places will become limited soon. Register at <http://www.futuresoldierusa.com/PR3>.

The agenda is being finalized. See below for a snapshot of the speakers and presentations.

Industry Speakers and Presentations include:

- How Interconnect Solutions Enable the Warfighter – presented by Mr Andrew Murdoch, Business Development Manager — Tactical Interconnect Products, Glenair
