MCLEAN, VIRGINIA, US, May 26, 2022 /EINPresswire.com/ -- David Ehrlich, who joined [CollabraLink](#) on May 9th, will serve as Vice President of Growth Solutions.

Before joining CollabraLink, Ehrlich led Accenture Federal Service's (Accenture) Digital Platform capability's growth and strategy across a handful priority federal accounts; including the Department of Defense and Department of Homeland Security.

Ehrlich came to Accenture by way of the Phase One Consulting Group acquisition in 2017, where he was the Director of the Digital Practice, focusing on digital platform growth and delivery. Ehrlich's career experience has included digital platform delivery, information technology assessments and audits, software training, and financial fraud analytics.

"Dave brings an invaluable business development capability and perspective to our growth function," said George Batsakis, CollabraLink CEO. "Dave has a true digital transformation point of view with over twenty years of experience driving change across the public-sector and commercial industries."

Ehrlich shares his excitement in joining the CollabraLink team: "As the federal government is on the cusp of a major digital transformation, CollabraLink has an opportunity to be an impactful
