#### About Officer Solis

Officer Solis is a seasoned police officer with many years of public service. He began his career in private security while also gaining important knowledge and experience through his work at the Walbridge police department.

His career has also included assignments at the Lucas County Sheriff's Department and a large metropolitan police force. Eventually, his desire to use his training and experience for community service motivated him to pursue his current position with the Mustang Ridge Police Department.

During his time on the force, he has made several positive contributions to the community. Additionally, officer Solis has worked to improve police department operations by implementing several processes that benefit patrol officers.

Through this work, he earned the rank of Patrol Sergeant. He was diagnosed with myxoid liposarcoma in 2020, which was treated via surgery. Unfortunately, the condition returned and spread. He is currently undergoing treatment.

All are welcome to our new facility on May 27 from 6 a.m. to 11 a.m. to honor Officer Solis, and to see local community leaders in a "shocking" demonstration.
