==About Ethereal Gold Dispensary:==

Ethereal Gold Dispensary is an online hemp-derived cannabinoid dispensary, carrying products like CBD, Delta-8, Delta-9 and rarer cannabinoids like CBC, CBG, CBN, CBDA, THCV, and more. Their team has a stringent approval process which includes requiring all products to have full Certificates of Analysis for every batch which include solvents, microbials, heavy metals, and more — which is not industry standard. The company donates 5% of profits to charities that assist communities that have been disproportionately harmed by cannabis prohibition and enforcement.
