HIALEAH, FLORIDA, UNITED STATES, May 27, 2022 /EINPresswire.com/ -- Representatives with Miami-based [Fame Tattoos](#) announced today that it has hired a tattoo design artist and is now offering free tattoo design consultations.

"We're very excited to offer a one-hour, [tattoo design consultation](#) to our new clients," said Omar Gonzalez, spokesperson for Fame Tattoos. "And to offer quick and efficient design consultation, we have expanded our team of tattoo design artists."

"As a client who's looking for a dream tattoo, you'll be consulting with one of our tattoo design artists in our studio in Miami. Share your ideas and after your consult, your artist will create a design just for you based on your vision," highlighted Omar and went on to add, "The process is quick, easy, and simple."

Fame Tattoos general services include tattoos, tattoo removal, piercings, permanent makeup and microblading, hair micropigmentation, aftercare, and more.

Omar explained that Fame Tattoos has created many different traditional tattoos over the years; some have been simple and straightforward, whereas others have been more in-depth or complex.

Fame Tattoos, according to Omar, is the best tattoo shop in Miami.

"We take Tattoo Art to a different level spiritually and mentally," Omar stressed. "We have a high level of continuous local clientele, athletes, and celebrities. We don't consider ourselves an average tattoo artist. Our work is based on passion and vision, where we like to picture ourselves as if we're writing or drawing a story of our client's life, past, future, and artistic passion. We will help guide you with the best option and best look for your new work of art."

The artists at Fame Tattoos, according to Omar Gonzalez, are passionate about what they do.

"Unlike other shops, we don't see our clients as walking, talking billfolds; we are dedicated to helping you express yourself through high-quality work and unparalleled attention to detail," Omar Gonzalez said. "If you've ever thought about getting a tattoo or if you already have tattoos and are thinking about getting more, this is a great time to take advantage of our free in-person tattoo design consultation. We're extending an invitation for you to [contact us today](#) to explore the possibility."
