This year, Clarke Contractors Inc. is celebrating its 25th year in business serving Southwest Ohio from its West Chester Ohio office. The added Dayton office location officially opened its doors in 2020 with the mission of serving customers in Miamisburg, Springboro, Centerville, Beavercreek, Huber Heights, Englewood, Vandalia, and

While the West Chester location previously offered service to south Dayton, the new Miamisburg location can now respond even faster for home and business disasters including:

- Flooded basements
- Leaking or burst pipes
- Bathtub/toilet overflows
- Fire and smoke damage
- Mold removal and Mitigation

In addition, Clarke Contractors Inc. also offers professional remodeling services to compliment the restoration repair

work that is often required. Every job is also backed by a one year, no-hassle satisfaction guarantee.

Fire Damage in Dayton Ohio

“We understand that our customers are often in dire situations,” stated Ken Cash, General Manager. “We’re committed to providing fast responses, excellent service and peace of mind. Our Dayton office has been a great addition and we’re dedicated to continuing the trend of making happy customers for years to come.”

Clarke Contractors understands the importance of best practices and forward thinking. Technicians at both offices attend industry-leading courses and seminars to hone their skillsets, learn the latest water and fire damage restoration methods, and master new technology. Clarke sets the bar for their damage restoration standards and is the reason why they are often the top-recommended contractor by insurance agents.

Clarke customers love them too. They maintain an A+ rating with the Better Business Bureau of Cincinnati and was also awarded their Torch Award for Business Ethics.
