

Maverick Motors Expands Services for Vehicle Owners Who Want the Best Customized Trucks, Jeeps and SUVs

Experts craft perfect upgrades to complement and build out the perfect ride

DALLAS, TEXAS, UNITED STATES, May 27, 2022 /EINPresswire.com/ -- With two paint booths and expert technicians, Maverick Motors DFW has been building and selling the best custom trucks for the past two years. Today, the company announced it is now building customized vehicles for consumers too.

Maverick Motors is expanding and now offers its clients the most professional technicians and facilities for building out trucks and SUVs. Maverick offers concierge services and will pick up and deliver customer vehicles within 50 miles of its 105,000 square-foot facility located at 9233 Denton Drive – right next to Love Field Airport.

“We are really excited to announce that Maverick Motors is now building custom vehicles,” said owner Samuel Dillon. “Maverick Motors is all about the love of vehicles. We have a passion for cars, trucks and SUVs and love to build and customize vehicles. Owners come to us to take their rides to the next level. If you want to customize your vehicle and add some extra curb appeal, Maverick Motors DFW is the place to go. We are here to help you customize the truck, Jeep or SUV of your dreams.”

Maverick Motors helps customers fix everything from rock chips, a paint scratch, hail damage or an unexpected parking lot shopping cart ding. Color matching and chrome delete is performed in-house. The company offers more than 100,000 wheel and tire options and works with top-
