The ice cream and frozen dessert market consist of sales of ice cream and frozen dessert by entities (organizations, sole traders, and partnerships) that produce ice cream, frozen ices, frozen yogurts, sherbets, and other frozen desserts (except bakery products). The companies in the industry package and distribute their products through various distribution channels to both individual customers and commercial establishments.

## [Global Ice Cream And Frozen Dessert Market Trends](#)

The demand for clean label products is increasing rapidly owing to a significant rise in awareness of healthy eating. Clean label dairy products do not contain additives, artificial flavor enhancers, dyes, or artificial preservatives. Also, many foodservice and retail grocery store chains are stating lists of ingredients that cannot be present in food items in their stores or restaurants. For instance, a USA-based yogurt brand Siggis Dairy introduced clean label yogurt pouches for children.
