

# Invent and Present Now Offering Free Consultations to Inventors

*One of America's leading invention services companies is helping inventors succeed by now offering consultation to inventors at no cost.*

ATLANTA, GEORGIA, UNITED STATES, May 30, 2022 /EINPresswire.com/ -- Representatives with [Invent and Present](#) announced today that it is now offering free consultations to inventors as a part of its [patent referral services](#).

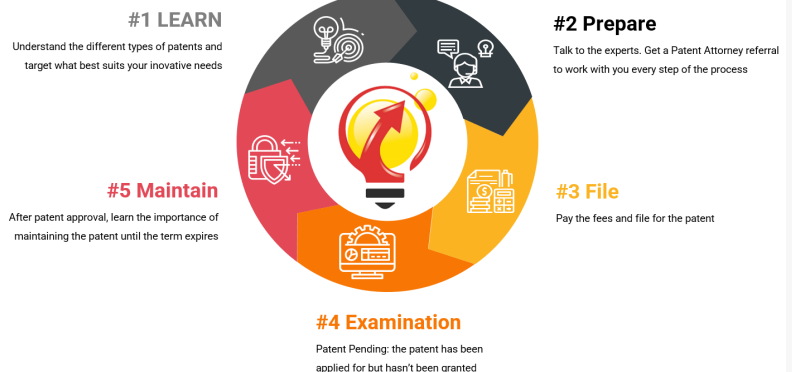

"As an inventor, getting a patent is important. Product protection is vital because it can help safeguard your invention or idea," said spokesperson for Invent and Present, a woman-owned small business. "A patent can protect any design, process or product that meets a set of specifications according to its utility, practicality, originality, and suitability."

Their [free consultation for inventors](#) looking for patent referral services allows you to safeguard your invention idea and ensure your intellectual property is protected with a patent.

Invent and Present's patent referral service is ideal for new product inventors at any stage of development.
