### About Doubting Tomas

Founded in 1980 Nuremberg, Germany under the shadow of the Iron Curtain, Doubting Tomas has undergone a number of name and personnel changes on its journey through time. The one consistent throughout time, however, has been its Hard Rock foundation, according to lead guitarist and vocalist Bill Brewster. Brewster says the band was fortunate to grow up, while bands like AC/DC, Iron Maiden, Judas Priest, and Black Sabbath were hitting their stride. Those influences, coupled with some fantastic pop hard rock bands like Journey, Foreigner, Styx and REO Speedwagon, set in motion a 30-year journey from Air Band to Recording Artist.
