Manufacturers are increasingly offering avocado oil due to an increase in demand from health-conscious customers. According to the fats and oils market research, avocado oil provides a lot of health benefits as it is a healthy fat and contains plenty of vitamins. Also, there is an increase in global avocado fruit production with five million metric tons, and annual production is expected to increase by nearly 200,000 metric tons. Mexico produces around 1.8 million metric tons of avocado fruit. This increase in fruit production is also expected to lead to increased demand.
