

alt Inc. raises 3.5 Billion JPY in Funding

alt Inc. has raised 3.5 bn yen to invest in AI-based voice-to-text product development, sales&marketing and hiring with Vertex Growth, as the lead investor.

TOKYO, JAPAN, June 1, 2022

/EINPresswire.com/ -- Personalized Artificial Intelligence (P.A.I.) developer alt Inc. (Head office: Minato-ku, Tokyo, Japan, CEO: Kazutaka Yonekura), has raised approximately 3.5 billion yen through a third-party allotment of new shares with Vertex Growth; a VC anchored by Vertex Holdings, a subsidiary of Temasek, a Singaporean investment firm as the lead investor, and other domestic and foreign investors, including existing investors, as subscribers.

□Background and Aims of Procurement□

Our transcription service "[AI GIJIROKU](#)" has achieved solid growth since its release. The funds raised are to be used to invest in promotion, recruitment, R&D to further accelerate our business toward our vision of digital cloning and P.A.I., as well as to acquire a share of the global Voice-to-Text market, which has a large potential market size.

□CEO Comment | Kazutaka Yonekura, alc Inc.□

First of all, we are very pleased to have completed the Series D in recognition of our "alt technology".

We are very proud of ourselves as a deep-tech company from Japan that has received high

CEO Kazutaka Yonekura, alc Inc., with the Digital Clone and P.A.I.

expectations from domestic and foreign investors, including Vertex Growth; one of the top growth VC firms in the world.

We would like to thank all of our shareholders who have supported us, our new shareholders, and the many others who have been supportive. In the Voice-to-Text market, which has high growth potential worldwide, we will first become a market leading company in Asia and make great strides toward realizing the ultimate goal of the P.A.I. of alt, which is to "Freedom from unproductive labor"
