Lancaster is no doubt one of the most charming places around. It has everything from public parks, amusement parks, farmer's markets, scenic natural spots, sports complexes, and so much more. There is something for everyone and that is one of the most attractive points about the city itself. Lancaster Inn & Suites comes equipped to provide a variety of different features and other amenities. It features prominently among the [hotels near Manheim PA](#). Although there are a lot of options to go around, the complimentary packages and amenities available at the hotel make it one of the attractive options for tourists.

Lancaster has a ton of different tourist sites that can be highly attractive for them. One of the most popular among them is certainly the Long's Park, which is a public park that plays a host to lots of different events throughout the year. From barbeque competitions, concerts, and other events that go on

throughout the year, tourists can always find something to do. A tourist can also just grab a blanket, and some food, and just enjoy a nice little picnic in the park with their loved ones. The weather and the ambiance are fantastic and one can hardly notice the time passing by.

Another interesting tourist hotspot is the Lancaster Central Market, located at Penn Square. It is one of the oldest farmer's markets. Tourists can sample the local produce there or visit some interesting shops to scout for memorabilia.

There are just so many things to look forward to at the Central Market, one of which is to sample delicious dishes and treats in the market, which is an indication of the local Lancaster PA cuisine. Another great characteristic and a case in point of Lancaster are that it is the center of one of the most vibrant Amish community in the country. This heritage of the Amish community can be viewed up close in the Amish farmhouse tours. The ride through the dusty roads winding up into the farmhouses and barns can be a treat to enjoy. There are also a lot of other places, but the earthy and homely vibe of the Amish settlements up close takes someone back to a bygone era.

This is one of the best things about these tours. Lancaster Inn & Suites is conveniently located to all such terrific tourist spots and hence, hopes to fight for the title of the [best place to stay in Pennsylvania](#). The hotel has a charm, which it hopes would attract tourists to its establishment. The hotel also hopes to attract tourists and present a different side of Lancaster through its [sight and sound package](#). The sight and sound package deal with Lancaster Inn & Suites include buying a ticket to such shows directly from the hotel itself so that guests do not have to wait in queues. This is helpful as the lines for tickets to these shows are pretty long. Overall, the management at the hotel claims that they are committed to providing the best hospitality

possible.
