SINGAPORE, June 2, 2022

/EINPresswire.com/ -- [Life Coach University](#) celebrates [Anne Phey](#), Founder of [Leadership Coaching School](#) for paying it forward everyday in the month of May. Anne shared lessons and personal stories from her own journey of being a Boss from Hell to Heaven as part of the 365 Pay It Forward Talks with Life Coach University.

Anne believes that everyone is called to be a leader, be it in our family, among friends, within our communities, or at work with our teams. Leadership is both a privilege and an opportunity to make a positive difference by empowering others.

She built a reputation for working with leaders as well as being a leader in uncharted areas, such as opening up new markets, creating new business models, helping start-ups, taming the toughest of bosses, re-building demoralized teams, and corporate restructuring.

“

We are not born leaders, but we find our way to create better versions of ourselves.”
