home to a growing list of podcasts with a great deal of entertainment value. Slated to launch later this Summer, a scripted podcast featuring stars such as Tim Russ, Ed Asner, Eric Roberts and more called [The Last Saturday Night](#). The Last Saturday Night explores how we cope during unprecedented times, the bonds we form amidst unprecedented strife, and just how sick everybody is of the word “unprecedented”. "We are excited about joining this network, and the opportunities that it should bring to continue to build a community among the listeners of our podcast. Being able to work with other podcasters with like mindsets will only help to grow the value that these programs have to all of our listeners" -Jobeth Bowers, founder and host of Airquote Law Pod.

Airquote Law Pod is immediately available on the Electracast network, and brand new episodes are scheduled to drop on the regular Monday morning schedule.
