This separates Cirkus Zirkus from the rest along with there unique personalities that perfectly coincide to make such a dynamic troupe.

Paul Bunyan Lumberjacks

The Paul Bunyan Lumberjack Show features lumberjack competitors known throughout the world. You'll also see Lumberjacks using specifically- built speed axes to cut through wood in a matter of seconds. The cross-cut saw, also known as the Misery Whip, with its razor-sharp teeth, races against the chainsaw... may the best sawyer win.
