"We are excited to be celebrating 120 years at our 2022 Spring Benefit Gala," said Timothy P. Leddy, President and CEO of Visiting Nurse Services in Westchester. "This milestone anniversary

is an opportunity to celebrate our agency's impact on the health and well-being of individuals and families for the past 120 years and would not be possible without the support of our sponsors. We look forward to toasting the past and celebrating the future as we continue to make a difference in the communities we serve through our wide range of programs and services."

"We look forward to toasting the past and celebrating the future as Visiting Nurse Services in Westchester continues to make a difference in the communities they serve through our wide range of programs and services," said Dr. Amy Ansehl, VNSW Foundation Chairperson. "This year's honorees and community heroes have all made an impact in the healthcare and senior communities, and we are excited to recognize them for their hard work and leadership."

Burke Rehabilitation Hospital, a member of the Montefiore Health System, is one of the nation's premier leaders in rehabilitation medicine. For over 100 years, Burke has provided high-quality, innovative, and compassionate care to patients at its 150-bed adult acute rehabilitation hospital in White Plains, New York.

Taiwo Griffith is a registered nurse with over eight years of experience at VNSW providing outstanding client care. As a registered nurse at VNSW, her responsibilities include the safe delivery of quality home care to clients in the Bronx and Westchester, as well as assessing, planning, implementing, evaluating, and coordinating all care in the home.

Daniel Lansen is the President of ANATOMY_IT., one of the largest healthcare-focused Managed IT Services firms in the country. Prior to ANATOMY_IT., Lansen was the Managing Partner at Compufit, LLC, for over a decade. Under Lansen's leadership, the company grew to one of the largest IT services firms in the region, being recognized as an INC. 5000 regional winner and a national Top 200 Cloud Managed Services Provider.

Frederic Siegel is the founder of Caring24 Health Technologies, a regional provider of PERS and 24/7 life safety monitoring services to dual-eligible populations through Medicaid Managed Care Plans, home care agencies and senior living facilities. While growing Caring24, Siegel successfully launched Contact Health, a SAAS-based virtual health and biometric monitoring company to connect chronically ill, isolated individuals with their professional and family caregivers.

Dawn French is the Senior Vice President for Marketing, Communication, and Community Relations at White Plains Hospital. In her role, French is responsible for overseeing the brand and public reputation of the Hospital through management of marketing, communications, and community relations as well as government affairs efforts. As a member of the executive leadership team, she also provides counsel that helps the organization prioritize strategies to deliver on its mission of providing care that is exceptional, every day.

Sister Mary Anne Powers is currently a member of the Congregation of Notre Dame, Blessed Sacrament Province, where she has been a member for fifty-five years. In 1998, Sister Mary Anne

established a Development Office for the Province and served as the first Development Director until 2007. Starting in 2009, she served as Associate Province Leader and was elected Province Leader in 2017, completing her term in September 2021.
