David R. Koenig, President and CEO, The DCRO Institute

nonprofit focused on bringing risk expertise to the boardroom and c-suite, announced today the award of the prestigious [Certificate in Risk Governance](#)® to Jared Siddle of Hamilton, Bermuda.

Jared is the Head of Risk Management for Clarien Bank Limited in Bermuda. Over his career, he has managed global risk and compliance teams in over 26 countries. His past work includes leading as the Head of Risk Management for Vanguard and the Head of Risk Management for Fidelity International, both roles based in London, England. Jared earned his Executive MBA from

École des Ponts Business School in Paris and his BSc with Honours from City Of London Polytechnic. He is a Certified Enterprise Risk Professional with the American Bankers Association and a Certified Fellow of the Institute of Risk Management.

"Jared's global experience and perspective are emblematic of the diversity of perspectives the DCRO Institute promotes for boards and senior executive leadership," said David R. Koenig, President and Chief Executive Officer of the DCRO Institute. "Welcoming him into the distinguished club of our alumni is further validation of both his commitment to advancing the governance of risk-taking and the quality of our community," he continued.

"The Certificate in Risk Governance is an excellent course for Chief Risk Officers and board members to grasp and understand the full array of risks and governance matters facing organisations today," said Mr. Siddle. "There is no better risk investment for yourself, your

stakeholders, and the Boards you serve," he continued.

The Certificate in Risk Governance® is awarded to those who have completed The Board Members' Course on Risk® - an intensive 17-course education program and evaluation. The curriculum is designed for current and aspiring board members who seek to advance the governance of risk-taking at their organizations and those who interact with boards. Taught by some of the world's leading figures in risk governance, the program features lessons by nearly 50 board members, c-level executives, and well-known authors from five continents. No course on risk for board members as robust as this - depth, practicality, and global expertise - exists anywhere else.
