LONDON, OXFORDSHIRE, UK, June 3,
2022 /EINPresswire.com/ -- [London
Taxis International replaced the long-
serving and familiar FX4 black](#) cab with
the TXI in 1997. Further development
resulted in the launch of the TXII in
2002, with power from a Ford Dura
Torq 2.4-litre diesel engine. To
commemorate Her Majesty the
Queen's [Golden Jubilee](#) in 2002, LTI made a special edition of 50 gold taxis, individually
numbered to reflect each year of Her Majesty's reign.

"As a Film worker in the
north of England -I found
this rare Queens Golden
jubilee 50th anniversary Taxi

The auction date is JUNE
14TH"

Clio Cohen

Not all of the 50 gold specials were sold prior to the event,
with unsold vehicles stripped of their Golden Jubilee livery
and sold as regular taxis, making the few survivors even
more rare and collectible.

25 of these specials took part in the closing ceremony of
the Commonwealth Games in Manchester in 2002, and
there is also a (now very rare) Corgi model of the car.

LG 52 HMY is one of the few surviving examples of the
special edition, and continued service as a London taxi

until 2018.

June 14th is auction day.
