

# CareTrack Health Launches Patient Adherence Solution for Professional Park Medical Services

*CareTrack program to benefit local patient care and medical practice*

CARROLLTON, GA, UNITED STATES, June 2, 2022 /EINPresswire.com/ -- "CareTrack's system will allow us to improve patients' overall care in between office visits," said Professional Park Medical Services COO Sebastian Mason. "The extensive data we have access to means that we can see health changes in real-time and have all the patient's information at our fingertips to make proactive decisions."

The CareTrack solution offers a number of benefits for Professional Park, such as improving patient out-of-office adherence, maintaining provider control of the care plan, reducing surprises for providers, improving quality of care by increasing consistency of plan adherence and fully utilizing and providing greater staff support.

"CareTrack developed our patient adherence platform to coordinate a consistent healthcare plan that ensures practices like Professional Park work from the same playbook to keep patients healthier," CareTrack Co-founder and CEO Andrew Mills said. "As a Carrollton-based company, we are proud to see that Professional Park clearly cares about providing the best care available to our local Medicare population."

About CareTrack Health, Inc.

CareTrack Health is a fully integrated physician practice extension. The adherence system enables primary care physicians to monitor critically and chronically ill patient care plan adherence to proactively identify and escalate earlier interventions in-between appointments. CareTrack assists practices to prevent hospitalizations, close patient adherence gaps, improve quality measures, and drive more proactive screenings and services adoption. Patients are empowered to proactively manage conditions and assist the physician in identifying issues earlier. To learn more, please visit [www.CareTrack.com](http://www.CareTrack.com) or call 800-835-1140.
