###

#### About APX Platform

Founded in 2021 by renowned practice consultant Terri Ross, APX (Aesthetic Practice Accelerator) Platform is a business intelligence, employee education, training, and data analytics platform built on three pillars: Training, Analytics and Community. APX Platform combines the three into one easy-to-use, cloud solution that: optimizes employee productivity via on-demand Sales, Finance, and Operations training courses; translates EMR/Practice Management data into actionable KPIs via financial calculator templates and industry benchmarking; and provides ongoing business coaching and mentorship via live coaching sessions with Terri Ross and her team. Visit [apxplatform.com](http://apxplatform.com) to discover the missing link to increasing profitability of an aesthetic practice.
