

# EvoCharge and Uni-Select Announce Partnership to Provide Electric Vehicle Chargers

*EvoCharge electric vehicle charging solutions are now available through one of the fastest growing suppliers of aftermarket auto parts in Canada.*

MINNEAPOLIS, MINNESOTA, UNITED STATES, June 7, 2022 /EINPresswire.com/ -- EvoCharge®, an industry leader in Electric Vehicle Supply Equipment (EVSE) and cable management solutions, announced it has entered into a resale agreement with [Uni-Select](#) Canada Inc. to provide the

most modern, compact and highest rated Level 2 electric vehicle (EV) charging equipment through Uni-Select's distribution centers across Canada that support their corporate stores, independent members and independent automotive service providers.

Customers across Canada can easily access our EV charging products that are designed for the Canadian winters and include materials and mobile application in French."

*Manish Virmani, VP of Sales & Marketing, EvoCharge*

"We have a long-standing relationship with Uni-Select and extending it to include EvoCharge means that customers across Canada can easily access our EV charging products that are designed for the Canadian winters and include materials and mobile application in French," said Manish Virmani, vice president of sales and marketing for Phillips

and Temro, EvoCharge's parent company.

"The addition of these products to our offering ensures customers throughout Canada can now easily access EvoCharge's quality charging solutions," said Sean Williams, VP of Merchandising & Supply Chain for Uni-Select's Canadian Automotive Group. "This relationship is aligned with our strategic goals of identifying opportunities for growth and solidifying our customer offer."
