

Kingspan choose SoftCo to automate their Accounts Payable Processes

SoftCo is delighted to announce that Kingspan, the global building materials company, has chosen SoftCo to automate its Accounts Payable (AP) process.

DUBLIN, IRELAND, June 3, 2022 /EINPresswire.com/ -- SoftCo is delighted to announce that Kingspan, the global building materials company, has chosen SoftCo to automate its Accounts Payable (AP) process.

Kingspan employ 15,000 people and manufacture high-performance insulation and building envelope solutions from 159 factories globally, generating an annual revenue of €6.5bn. Kingspan Insulation process more than 80,000 invoices per annum.

“

We are delighted to be working with Kingspan to automate their AP process. Kingspan looked at the market and chose SoftCo due to our superior technology and unrivalled touchless invoice processing.”

Anton Scott, CEO, SoftCo

SoftCo will provide Kingspan with end-to-end AP automation including automated capture, matching and approval which will remove the high levels of manual keying and processing of invoices. SoftCo Smart Matching will further improve the touchless invoice processing rate ensuring that even the most complicated scenarios can be matched automatically. SoftCo Dashboards will provide Kingspan complete visibility over their entire AP Process.

SoftCo AP will be fully integrated with Kingspan's existing ERP system, SAP.

Anton Scott, CEO SoftCo Group, commented

“We are delighted to be working with Kingspan to automate their AP process. Kingspan looked at the market and chose SoftCo due to our superior technology, ease of use and unrivalled touchless invoice processing.”
