

# MassMEDIC Announces Transitions to Board of Directors and Employee Growth

*MassMEDIC recognizes contributions of retiring Board members, celebrates addition of new Board members and appointment of new Executive Council*

BOSTON, MA, UNITED STATES, June 7, 2022 /EINPresswire.com/ -- [The Massachusetts Medical Device Industry Council \(MassMEDIC\)](#), announces the

appointment of three new members to the organizations Board of Directors: Elijah White, president, ZOLL

Resuscitation, Townsend Goddard, senior vice president, global head of

business development, Olympus Corp. of America, and Nick Hawson, senior vice president, head of medtech (US West), Cambridge Consultants. Three Directors are also retiring from the board: Christos Monovoukas, former vice president, global business development, Olympus Corp. of

“

On behalf of the MassMEDIC community, we are excited to welcome our new Board members and thank those who are transitioning off for their dedication and service to the Mass. medtech ecosystem.”

*Brian Johnson, President,  
MassMEDIC*

America, David Bradshaw, senior assessment services manager, Cambridge Consultants, and Jonathan Rennert, chief executive officer, ZOLL Medical Corporation, who served as the organization’s chair from 2017-2020.

“On behalf of the MassMEDIC community, we are excited to welcome our new Board members and thank those who are transitioning off for their service and dedication,” said MassMEDIC President, Brian Johnson. “We want to extend a special thank you to Jon Rennert for his incredible service to our organization and the medical technology industry in Massachusetts. Jon is a tremendous leader and we were extremely fortunate to have him as our Board Chairman and Executive Committee member for several years. Under

Jon's leadership, MassMEDIC experienced tremendous growth due in no small part to his dedication and commitment.”

MassMEDIC Welcomes New Board Members and Employee

The transitions of the MassMEDIC Board of Directors also created a new slate of appointments to the Executive Committee, as follows:

Chair: David Kolstad, Chief Executive Officer, Genuity, LLC

Vice Chair: Stacey Pugh, Chief Commercial Officer, Butterfly Network

2nd Vice Chair: Mary Anne Heino, CEO and President, Lantheus

2nd Vice Chair: Todd Usen, CEO, Activ Surgical

Treasurer: Rajesh Misra, Principal, Life Sciences Operations Advisory, KPMG US

Immediate Past Chair: Andrew Greenfield, Executive Vice President and Chief Commercial Officer, Abiomed

"I am honored and excited to serve as Chairman of the Board of Directors for MassMEDIC this year," said David Kolstad, chief executive officer, Genuity, LLC. "There are big shoes to fill from Andrew's most recent tenure as Chair – and before him, Jon – but because of their commitment to strengthening our medical technology and life sciences ecosystem in New England, there has never been a more opportune time to elevate the impact our members can have."

### Organizational Updates

In the past few years, the role of the association has grown to include both virtual and in person educational and networking events, government affairs and workforce development services, regulatory guidance, membership discounts, and promotional opportunities.

To continue to build on the service offerings available to MassMEDIC members, we are proud to announce the addition of Anna King as marketing coordinator. A recent graduate of Lasell University, Anna served as a graphic design intern for the organization for the last two years. In her expanded role, she will be responsible for visual and digital media assets and collaboration on our Accelerator Program, IGNITE. Anna is a heart transplant survivor and is excited to support the industry that saved her life.

"As our team continues to grow, the impact we can have in support of the New England medical

device community is also expanded,” said Rachel Robinson, chief operating officer of MassMEDIC. “What’s truly unique about our team is each person’s individual connection to our mission and their passion for supporting our members and the industry as a whole.”
