CM Yogi Adityanath is a steady, thoughtful leader who is at once at ease talking about the holy Ramayana on the one hand and about airport construction, infrastructure building, defense manufacturing, and election strategy on the other. across the centuries for those who were seeking the return of Ram Lalla to his rightful abode in Ayodhya. This feat has helped the hindu community in the USA and around the world with the resolve to restore as close to Ram Rajya, in these tumultuous post-pandemic times.

With the stewardship of the Union Government under Prime Minister Narendra Modi, CM Yogi is going to launch a whole package of new initiatives that will take U.P. towards becoming a USD 1 trillion economy.
