CARRUM DOWNS, VICTORIA, AUSTRALIA, June 6, 2022 /EINPresswire.com/ -- [Nightcap Hotels](#) (owned and operated by ALH Hotels, a brand of Endeavour Group) continues to expand its portfolio, launching its first [Nightcap Plus](#) property in Victoria with the opening of The Sands by Nightcap Plus in Carrum Downs.

Accommodation at The Sands by Nightcap Plus is designed to match customer feedback

Located at the gateway of the Mornington Peninsula, The Sands by Nightcap Plus offers the only upscale hotel experience within the immediate area to travellers looking for modern and convenient accommodation in the greater Frankston area.

Offering 61 spacious hotel rooms (Studios, Family Rooms and Suites), each room features modern designs, a luxurious rain shower and an Australian-made executive King Koil bed. With an onsite bistro, licensed bar, breakfast room, conference rooms, fitness centre and complimentary parking, The Sands by Nightcap Plus has been created to suit today's hotel guest who is seeking an elevated hotel experience.

ALH Hotels National Accommodation Manager, Brett Salter, said: "Nightcap Hotels offers travellers more destinations than ever before - with Carrum Downs being our 72nd location in Australia and our fourth Nightcap Plus hotel, we're really taking the Nightcap experience to a whole new level in Victoria. Favourably positioned on the fringe of the Mornington Peninsula, and with the growing commercial and industrial hubs surrounding the Frankston and Dandenong area, it made sense to expand our upscale experience here.

"Our aim is to provide travellers an exceptional experience, offering those looking for short to mid-term stays everything they need onsite, and nothing they don't.

“We’ve taken a guest-centric approach, undertaking consumer research to understand the Nightcap visitor’s needs and wants, and then creating a room product, matching exactly what they said they wanted”
