

Quality Audiobook is a Welcome Addition to "New You! Who Knew?" Family

For those who can't, or don't read, audio is the key to access

LIBERTY LAKE, WA, WA, UNITED STATES, June 7, 2022 /EINPresswire.com/ -- David R. Edwards, "New You! Who Knew?" is released as an audiobook and available today on Audible, Amazon, and iTunes.

Knew You! Who Knew? was released in January of 2022 as an e-book and paperback. The author received feedback from many potential readers that they were not able to read, did not like to read, or simply preferred a listen versus read option. For these front-line workers an audio option is not a nicety but a necessity.

Dave listened to dozens of potential narrators before choosing Dan Levy to narrate and produce the audio version of his book. Dan's demo was outstanding both in his reading the text with engagement and skill and in his production ability and experience with the audio platform.

Written for people earning less than \$70,000/year, New You! Who Knew? Is the first self-help book for regular people who want to:

Dan read the book the way I would have, if I had his voice and skill."
