

Massage Spa India Updates Their Database Of the Top Spa Services Providers Across India

Massage Spa India, announces the update of their portal to include more spa parlor and massage centers after lifting the Covid-induced restrictions.

PUNE, MAHARASHTRA, INDIA, June 7, 2022

/EINPresswire.com/ -- The team at User-friendly India-

focused online spa resource [Massage Spa India](#) looks back and better following the opening of activities across India after the Covid-induced restrictions as the website adds more brands to provide the latest and best spa services to people across India.

The brand has grown to become the go-to destination for persons looking for top spa parlors and massage centers in different parts of India, partnering with the likes of [nearmeads.com](#) to deliver the best experience to users.

A recent report published by Grand View Research put the size of the global spa market at \$52.9 billion in 2021. It also projected the market size to hit \$117.9 billion in 2028, driven by the emergence of new solutions and trends as well as the increasing demand from customers looking to harness the immense features of the practice. The situation is not particularly different in India, as several service providers emerge across the country to meet the growing and diverse needs of clients. However, getting reliable service providers can sometimes be a daunting task, which is where Massage Spa India has been helpful since the official launch of the website in 2018.

Massage Spa India has grown in popularity and acceptance to become a sought-after resource for clients across India. The website features different categories of service providers across regions to bring the latest and most reliable solutions closer to clients, with reviews from past customers to aid the decision-making process. Massage Spa India is host to more than 100 massage parlors and spa centers in major cities across India, from Hyderabad to Delhi, Bangalore, Jaipur, and Ahmedabad. Some types of services found on the website include holistic massage, hot stone massage, and Swedish massage.

The website also enables customers to enjoy the latest spa services for Indian people, with centers that offer the likes of ayurvedic methods, aromatherapy, Thai, deep tissue, and a host of others. It has an easy-to-navigate interface that allows customers to search and filter service providers based on location, reviews, and other relevant field.
