

infofree.com Adds Over 70 Million New Executives with Emails to Reach Top Decision Makers

70 Million New Executives with emails now available to help reach top decision makers.

OMAHA, NE, UNITED STATES, June 7, 2022 /EINPresswire.com/ -- infofree.com Adds Over 70 Million New [Executives with Emails](#) to Reach Top Decision Makers

70 Million New Executives with emails now available to help reach top decision makers.

infofree.com, the leading provider of unlimited [sales leads](#), [email lists](#), mailing lists, person search and CRM, today announced that it has added 70 Million Executives with emails to its lead generation tool.

Quality is of the utmost importance for Infofree, with each business contact going through a triple-verification quality check to ensure the highest number of viable leads are provided. In fact, databases featured on Infofree have some of the most competitive accuracy statistics on the market, with a 95 percent accurate business database, a 90 percent accurate consumer database, and an 80 percent accurate weekly 'hot sales leads' database. This ensures that salespeople and marketing professionals can have a steady pipeline of leads, with little wasted time on contacting leads that aren't viable.

"We are committed to making our databases the most accurate and robust in the industry," said John Copenhaver, President, at infofree.com. "We're constantly adding key information to our product which inturn helps our customers to find new prospects and grow their sales."
