

EnergiaSaves™ Podcast Looks at Real-World School District Energy Savings Projects and Student STEM Learning Program

Superintendent Anibal Soler Discusses School District EPCs; Teachers & Students from Floral Park-Bellerose School District Detail Energia STEM Learning Program

SMITHTOWN, NY, US, June 8, 2022 /EINPresswire.com/ -- The [EnergiaSaves Podcast](#) is pleased to welcome special guest and School District Superintendent Anibal Soler to offer his experience and perspective on successful [Energy Performance Contracts](#) (EPCs) that he has been a part of in two different school districts – Batavia, NY and Schenectady, NY.

In our second podcast episode this month, Dr. Chuck Russo introduces Floral Park-Bellerose School sixth-grade instructors and students who took part in an [Energia](#) Real-World STEM Learning program at their school.

The EnergiaSaves Podcast is available via multiple online venues:

About Energia

Energia, an Energy Finance Solutions Provider for School Districts and Municipalities, turns school district energy liabilities into educational assets. Energia (formerly The ECG Group) empowers school districts nationwide to unlock trapped energy funds and convert energy-inefficient facilities into world-class educational environments – without generating out-of-pocket expenses or requiring district referendums. Energia is a trusted advisor and advocate for understanding, explaining and managing the complex school district energy-savings eco-system. Energia ensures school districts can be confident in their energy-saving initiatives. For more information, visit <https://www.energiasaves.com>
