

Custom Computer Specialists Jumps Up 27 Spots on CRN's 2022 Solution Provider 500 List

Custom Computer Specialists, a technology solutions provider, announced that CRN® has named Custom Computer Specialists to its 2022 Solution Provider 500 list

HAUPPAUGE, NY, UNITED STATES, June 7, 2022 /EINPresswire.com/ -- Custom Computer Specialists, a technology solutions provider, announced today that CRN® a brand of The Channel Company, has ranked Custom Computer Specialists, in 244th place on its 2022 Solution Provider 500 list. This

ranking is 27 spots higher than last year. Each year, CRN releases its list of top 500 solution providers, a ranking of the leading IT channel partner organizations across North America by revenue. CRN's Solution Provider 500 list serves as the industry's benchmark for recognizing the top-performing technology integrators, strategic service providers, and IT consultants, and as a valuable resource for technology vendors looking to partner with top solution providers.

“

I'm proud of all that my team has accomplished this year and believe that it is in no small part due to their commitment to the success of our clients.”

Gregory G. Galdi

Founded in 1979, Custom Computer Specialists is an innovative technology solutions provider that prides itself on implementing transformative technologies. By offering an extensive range of services including the secure transmission of data, dedicated IT support staffing, proactive monitoring and modern network technologies, our public sector clients improve their competitive

advantage and their ability to deliver value to their end users.

“We are honored to be ranked #244 on the CRN's 2022 Solution Provider 500 List, bringing Custom up 27 spots from 2021. This also follows our recent achievement of being named to CRN's Tech Elite 250 List. I'm proud of all that my team has accomplished this year and believe that it is in no small part due to their commitment to the success of our clients,” said Gregory
