

# CybeReady Wins 2022 Fortress Cyber Security Award for Best Cybersecurity Training Platform

SANTA CLARA, CALIF., UNITED STATES, June 8, 2022 /EINPresswire.com/ -- CybeReady, provider of the world's fastest security training platform, today announced that the Business Intelligence Group has named CybeReady a 2022 Fortress Cyber Security Award winner in the training category. The Fortress Cyber Security Awards program sought to identify and reward the world's leading companies and products that are working to keep corporate data and electronic assets safe among a growing threat from hackers.

CybeReady provides customers with a fast, effective training platform that includes phishing simulations, security awareness, and compliance training capabilities, with built-in expertise embedded into the training. The platform continuously trains enterprise employees to avoid cyberattacks -- in 38 languages across 66 countries worldwide. The training platform operates 365 days a year, creating a continuous security culture through frequent (at least monthly) engagements with each employee, leveling up the security awareness practice.

"With today's security teams often overloaded with an unending number of tasks, the fully-managed CybeReady platform provides everything needed for security administrators to operate right out of the box," said Eitan Fogel, CybeReady CEO. "We are pleased to be recognized by judges at the Business Intelligence Group in the Fortress Cyber Security Awards and remain

CybeReady

focused on our mission of cybersecurity training excellence.”

“We are so proud to name CybeReady as a winner in the 2022 Fortress Cyber Security Awards program,” said Maria Jimenez, Chief Nominations Officer, Business Intelligence Group. “As our society continues to evolve and become more reliant on networks and data, companies like CybeReady are critical at providing the protection and trust required.”
