For more than a decade, UpCity's mission has been—and continues to be—to help businesses find [B2B service providers](#) they can trust. The UpCity Recommendability Rating was developed to determine a service provider's credibility and recommendability, giving UpCity the confidence to recommend them to the more than 2 million businesses that visit their site.

Each year, UpCity analyzes and scores more than 70,000 service providers based on their UpCity Recommendability Rating and acknowledges the top national and local providers with an UpCity Excellence Award. The results are in, and we won!

Joe Banks, SVP of Engineering at UpCity, had this to say about ioVista:

"The ioVista team are professionals of the highest caliber. From their undeniable data-backed results to their phenomenal customer reviews, this team can do it all. We're proud to call them a part of the UpCity community and it's my honor to name them a 2022 Local Excellence Award winner."

—Joe Banks, SVP of Engineering, UpCity

This recognition has been driven in large part by our 5-star review rating on UpCity. Here are a few of our favorite pieces of feedback we've received from our incredible customers:

"There's no word to describe ioVista's professionalism. Mike and his team went above and

beyond to help us with our new custom website development. We were short staff and their team took their time and were very patient with us and helped us navigate through a lot of uncertainties and advised us on how to come up with a great website with great functionalities. The team's knowledge of the technical aspects of Bigcommerce platforms is impressive. I highly recommend working with the ioVista Team." - Shawn S., August 2021

"Working with ioVista has been great. I can honestly say they saved my company after being shut down by the virus. My long term investment in SEO is bearing fruit and I am coming out of this shutdown stronger than before." - Craig L., July 2021

Thanks to all of our customers, family, and friends for helping us accomplish this achievement. To be named one of the best in our field is a true honor. Thank you as well to UpCity for recognizing our agency and helping us connect with more potential customers!
