

# Melos Studio Brings Cappadonna and Method Man to Dcentral Austin to Discuss Web 3 Music Collaboration and NFT Drops

*Melos Launches U.S. Campaign at Dcentral Austin Offering Attendees Eth, Wave Points, NFT AirDrops and More Prizes for Winners of the Bull Riding Challenge*

NEW YORK, NEW YORK, UNITED STATES, June 8, 2022 /EINPresswire.com/ -- Melos Venture

“

We're excited to work with Cappadonna and Method Man to bring more awareness to how Melos Studio's Web 3.0 tools can accelerate collaborations between artists and fans, as well as protect ownership.”

*Yalu Lin, Co-Founder and CEO  
of Melos Studio*

Limited, the operator of [Melos Studio—a decentralized music studio for Web 3.0](#) (collectively “Melos” or “the Company”), announced today that the Company is bringing Cappadonna and Method Man (of the legendary rap group Wu-Tang Clan) to the Dcentral Austin Conference today (Wednesday, June 8, 2022), to discuss their Web 3.0 music collaboration with fans, leveraging the tools of Melos Studio.

Cappadonna, who is set to perform and speak today (Wednesday, June 8, 2022) at Dcentral Austin, with a video appearance from Method Man, will give insight on their upcoming NFT Drops in the U.S.—anticipated to drop July

30th, 2022 on U.S. accessible marketplaces (i.e. OpenSea). This is the start of a campaign that Melos is undergoing to aggressively begin marketing its brand, products, services and celebrity NFT drops in the United States. The Company will actively sponsor U.S. events, concerts, tours, and much more.

Yalu Lin, Co-Founder and CEO of Melos Venture Limited stated, “Since launching in November of 2021, Melos Studio has onboarded more than 1,100 indie and emerging artists, from over 60+ countries worldwide. Melos hosts events in the metaverse, along with its own discord sever, for conversations between fans, patrons and their favorite artists. We are excited to work with Cappadonna and Method Man in bringing more awareness to how the Melos Studio Web 3.0 environment can accelerate collaborations between artists and fans, as well as protect ownership.”

Melos will also be offering Dcentral attendees and other participants taking advantage of the

About Melos Studio

Melos, a decentralized music studio for Web 3.0, is a revolutionary NFT platform that allows fans to co-create with their favorite artists. Imagine being able to curate with your friends a one-of-one mixtape with Cappadonna, Method Man or any of the other artists on the Melos platform. This rare collaboration can now be brought with you into the metaverse or shared as your own personal soundtrack. Utilities such as remixes by the artist on top of your creation, art, merch, and access are just the tip of the iceberg.
