

The BWB Awards at Biotech Week Boston 2022: Celebrating excellence in life sciences

BOSTON, MASSACHUSETTS, UNITED STATES, June 9, 2022

/EINPresswire.com/ -- The BWB Awards at Biotech Week Boston return in-person to recognize the top individuals, companies, and organizations in the life sciences community. Since 2018, the Awards at the Biotech Week Boston festival have brought together the

faces and names that make Boston the beating heart of the biotech world . [Secure your seat](#) and join 100+ leaders for a night of celebration at the BWB Awards 2022.

The BWB Awards at Biotech Week Boston

Join us for

- A night of dinner, drinks, and entertainment on Tuesday 27 September 2022 as we honor innovation and expertise in the biopharma world.

- Entries now being accepted to recognize you, your colleagues, and your company

"We are delighted to once again have the opportunity to celebrate the amazing achievements of the Biotechnology Community in Boston. There are so many people and so much progress to be recognized and acknowledged and we are honored to have the support of these highly respected individuals to judge and present the awards." – Tamsin Aspinall, director of Biotech Week Boston

Nominations are now open ([click here to submit](#)) for the following categories:

- Biology Breakthrough – The organizations or colleagues with the most impactful advancements across the entire life science industry

- D&I Champions – The outstanding work of individuals or group initiatives that have championed equality, diversity and inclusion either within their organizations, or within the wider life sciences space

- **Digital Medicine** – The bold and innovative creation or use of technology-enabled healthcare solutions. Showcase how digital medicine change-makers are propelling technology forward, while demonstrating its suitability for solving a business or healthcare need
- **BUB Highlight** – The stand-out accelerator, incubator programs and the year's best-in-class deals and exits from portfolio companies
- **Impact Leader** – Contributions made in an environmentally conscious effort towards sustainability and good governance
- **Lifetime Luminary** – An exceptional individual with a consistent history of service, above and beyond the call of duty, throughout their career
- **Transformational Therapy** – For the discovery, development and/or market accessibility of products that address unmet needs in rare diseases
- **Unsung Hero** – Accomplishments and impacts that far exceed the credit they've received, whether an executive, a more junior employee, an advocate, or someone else in your organization or community

Judges include:

- **AURIE GLIMCHER**, president & CEO at Dana Farber Cancer Institute
- **JERRY YANG**, PHD, EVP, Process and Product Development at Transcenta Holding Ltd.
- **CRAIG MARTIN**, CEO at Global Genes
- **ANN DEWITT**, COO & Managing Partner at The Engine
- **JOHN MARAGANORE**, chair of Hemab Therapeutics and Former CEO, Alnylam
- **JOE BONCORE**, CEO at MassBio
- **SANJAY NILAPWAR**, PH.D., Purification Development BioProcess Development at Abbvie
- **MELINDA RICHTER**, global head of Johnson & Johnson Innovation at JLABS
- **SHANTHA RAJU**, senior director of Analytical Sciences at Medimmune

The awards will take place in partnership with charity sponsors Best Buddies, a dynamic and growing organization working to enhance the lives of people with intellectual and developmental disabilities.
