

Baum Hedlund Personal Injury Attorneys Honored in 2022 Super Lawyers Rising Stars List

Five Baum Hedlund Aristei & Goldman attorneys honored in 2022 Super Lawyers Rising Stars Southern California list for their outstanding legal services.

LOS ANGELES, CALIFORNIA, UNITED STATES, June 8, 2022

/EINPresswire.com/ -- The national law firm of [Baum Hedlund Aristei & Goldman](#) is pleased to announce that five of our [personal injury lawyers](#) were recognized in the 2022 Super Lawyers® Rising StarsSM list.

Super Lawyers® is a legal rating resource widely respected for its reviews of legal professionals and law firms. Each year, Super Lawyers compiles regional Rising Stars lists that include lawyers who are among the “best of the best” based on the

organization’s rigorous selection process. It is rare for a law firm to have one attorney make one of these annual lists, exceedingly so for five attorneys from one firm to receive the honor.

The Rising StarsSM designation is only awarded to attorneys with less than 10 years of practice experience or who are 40 years old or younger. Super Lawyers selects its Rising Stars using peer nominations, independent research, and peer evaluations. Less than 2.5% of all practicing attorneys will be named as Rising StarsSM during an annual selection process.

The Baum Hedlund attorneys recognized in this year's Super Lawyers® Rising StarsSM list:

- **M**onique Alarcon (Rising Star since 2022) - Personal Injury, Wrongful Death, Medical Devices, Pharmaceutical
- **W**. Crawford Appleby IV (Rising Star since 2020) - Personal Injury, Wrongful Death, Brain Injury,
