has always been one of the most active in our College Settlement Camp programs,” said Terry Dougherty, Executive Director of College Settlement. “We want to offer all our campers a safe and healthy environment while still following the recommended COVID-19 protocols. Partnering with the renowned Black Doctors COVID-19 Consortium for this Vaccination Day is a privilege that we are proud to offer to our College Settlement of Philadelphia community, and we hope to continue to work with them going forward.”

Founded to serve the children of Philadelphia and their families by providing a healthy outdoor, country experience in the aftermath of the 1918 Spanish Flu pandemic, the mission of College Settlement of Philadelphia and the College Settlement Camps is more vital than ever as the Philadelphia region copes with the COVID-19 pandemic.

College Settlement celebrates the 100th anniversary of their summer camp programs in 2022.

For children ages 7 to 12 years old, College Settlement offers 2-week Day Camp sessions that run Monday through Friday, and campers have the opportunity to attend two 2-week sessions for a total of 4 weeks per summer. Sessions are two weeks of action-packed fun and adventure, with unforgettable experiences each day. Children will swim each day in the day camp’s beautiful, recently renovated, swimming pool, with lessons available for non-swimmers. Other fun activities include bike riding, challenge courses, sports, arts & crafts, and special occasions like “Pirate Day.” Also offered is an Overnight Camp for children ages 8 to 12, as well as Teen Adventure programs for children ages 13 and 14 years old.

College Settlement is committed to offering award-winning programs while subsidizing every child’s fee from 51 percent to 87 percent. In this manner, College Settlement Camp continues to be one of the most affordable as well as longest established camps in the Philadelphia region.

Through their fundraising efforts, College Settlement offers the lowest prices for their campers' families. College Settlement also offers camp scholarships to families requiring additional financial assistance.

Registration for this summer's day camps and overnight camps, as well as the teen adventure program, is available through the College Settlement Camp website at <http://www.collegesettlement.org>.

About Black Doctors COVID-19 Consortium:
The mission of the Black Doctors COVID-19 Consortium is simple. Education and Advocacy for African Americans to reduce the incidence of disease and death from coronavirus. African Americans are being diagnosed at a disproportionately higher rate than other groups and are dying from coronavirus at a higher rate than other groups. To address that need, the Black Doctors COVID-19 Consortium was born. We have built a mobile COVID-19 testing & vaccination operation. Our goal with the mobile unit is to provide a testing and vaccination alternative that is BARRIER FREE to assist in providing protection from the coronavirus disease in our hardest-hit areas of Southeastern Pennsylvania. Additional information is available at <https://blackdoctorsconsortium.com>.

About College Settlement:
The mission of College Settlement Day and Overnight Camps and the Outdoor School in Horsham is to provide environmental education and camping programs to young people from the greater Philadelphia area - especially those who are economically disadvantaged - in order to foster personal growth and prepare them to make a positive impact on the world. College Settlement now manages 235 acres in Horsham (and over 75 acres in the Poconos north of Bloomsburg) that include over 35 structures, a lake, two swimming pools, an environmental center, a community based farm, and our adventure challenge course – an activity that designed to encourage leadership, communication skills, and social development within a group.
