IC Insure was praised by judges for its innovation in streamlining the complex process of insuring independent contractors. One judge stated, “IC Insure’s ability to change how insurance brokers and agents manage insurance policies and exposures, including usage-based insurance, with their independent contractor insureds was impressive. Openforce’s end-to-end technology platform simplifies and streamlines the insurance administration process, offering insurance brokers and agents one platform to manage their tasks. are eligible to submit nominations. Nicknamed the Stevies for the Greek word meaning “crowned,” the awards will be presented to winners at a gala ceremony at the Marriott Marquis Hotel in New York on Monday, June 13.

“We are very excited to have been recognized multiple times by the American Business Awards for our new IC Insure offering. There is a real need to service the gig economy as it grows and requires insurance products that make sense,” said Wendy Greenland, CEO of Openforce. “To receive multiple awards for our IC Insure product is continued validation of what we are doing in the market.”

More than 230 professionals worldwide participated in the judging process to select this year’s Stevie Award winners.
