

Fintech Statrys Expanding Hong Kong Office

Founded in 2018, Statrys has more than 3,500 clients around the world.

HONG KONG, June 10, 2022 /EINPresswire.com/ -- Hong Kong remains a top international financial center after New York and London, and [Statrys](#) is doubling its office space and operations in the city.

Hong Kong office Statrys

The fast-growing fintech Statrys provides multicurrency business accounts that allow companies to make and receive payments in 11 currencies, coupled with a human-centric approach different than the traditional banking experience.

“

We're doubling our size because we feel confident in Hong Kong. The flow of payments between China, Hong Kong, and Southeast Asia is rapidly growing. We anticipate that this trend will accelerate.”

Bertrand Theaud

Founded in 2018, Statrys has since made waves as an emerging leader in the Hong Kong payment fintech space.

Bertrand Théaud, Statrys' founder and CEO, said, "We're doubling our size because we feel confident in Hong Kong. There is a big demand for the services we provide at Statrys, and the flow of payments between China, Hong Kong, and Southeast Asia is rapidly growing. We anticipate that this trend will accelerate."

Statrys is an innovative payments solution alternative geared toward SMEs, startups, and entrepreneurs. On top of a [multicurrency business account](#), the company offers advanced FX tools to book exchange rates when paying vendors in different currencies. Also clients can add additional virtual IBAN accounts to expand their payment options when dealing with their counterparties in Europe.

Within just 11 months of launching, Statrys raised \$5 million, and after two years, the company hit [\\$2 billion in transaction volume](#).

Already adopted by more than 3,500 clients, Statrys has plans in the near future to expand operations to Singapore and to offer local payouts in more than 130 countries..

About Statrys

Statrys launched in 2018 with the aim of being the most accessible and feature-rich payment option for SMEs. Making online payments isn't new, but we've striven to bring the entire experience of a complete corporate account from a big bank to the palms of SMEs and entrepreneurs. At Statrys, we are helping small businesses make payments with both the features and the confidence of a Fortune 500 company.

Statrys Platform

The image displays the Statrys Platform interface. At the top, there is a navigation bar with tabs for 'Accounts', 'Transactions', 'Payees', 'FX Pro', 'Cards', and 'Team'. The main content area shows a 'Business Account' overview with a 'Total Balance' of HKD 1,273,000.00 and '5 Assets'. A table lists the assets with columns for 'Asset', 'Allocation', and 'Amount'. The assets listed are:

Asset	Allocation	Amount
Hang Seng Dollar Spot, FX	67.11%	HKD 866,277.52
US Dollar Spot, FX	22.00%	USD 341,415.16
EUR Spot, FX	20.15%	EUR 371,415.90
Chinese Yuan Renminbi Spot, FX	17.80%	CNY 281,415.41
British Pound Spot, FX	1.15%	GBP 900,200.00

Below the table, there is a 'See More' link. To the right of the laptop, a smartphone displays the same 'Business Account' overview. Two Statrys business cards are shown in the foreground, one blue and one orange, both featuring the Statrys logo and a Wi-Fi symbol.
