

# UW Insure Brokers Launches Their Drone Insurance Product to Address the Demand in Non-Specialty Markets

*UW Insure Brokers Launches Their Drone Insurance Product to Address the Demand in Non-Specialty Markets*

EDMONTON, ALBERTA, CANADA, June 9, 2022 /EINPresswire.com/ -- The UAV liability package will cover any property damage or bodily injuries caused by, or during, the operation of drones.

UAVs (Unmanned Aerial Vehicles) have been used in recent times for a myriad of leisurely and commercial purposes.

A notable feature of UAVs is their

ability to take high-resolution photographs and videos of personal events, business product launches, and business campaigns to mention a few. While such numerous benefits of UAVs exist, there are also subtle dangers and certain liabilities of flying one. It is thus imperative that drone pilots and owners purchase aviation liability coverage due to their mobile aerial nature.

“

It provide excellent coverage and protection for any personal and commercial drone, covering all liability when flying the UAV. The value the package delivers is definitely worth every cent.”
