☐AITX Signs 2 New Dealers, Receives Multiple ROSA Order

On May 24th and June 3rd AITX announced it had signed U.S. Secure Ventures (USSV) and USA Security as new authorized dealers and has received orders for ROSA security robots from these new dealers. USSV is a commercial security services provider with offices in Dallas, TX growing from regional leader to a national authority in commercial and integrated security. USA Security is Headquartered in Eden Prairie, MN and supports a variety of industries across the United States.

☐Order for Security Robots from Romanian Dealer Civitas Group

On May 23rd AITX announced an order from Civitas PSG, one of the largest security companies in Romania for an AVA (Autonomous Verified Access) access control device, and one ROSA (Responsive Observation Security Agent) robotic surveillance unit. This will be first AITX deployment in the European market for AVA, capable of performing all functions of a security guard at a controlled gate of entry.

□ AITX Devices Signs First UK Authorized Dealer

On May 18th AITX announced it has signed its first authorized dealer in the United Kingdom and has received an order for a ROSA security robot. Additional details, including the name of the new dealer will be released in the future.

□ Development of Residential Security Solution

On May 17th AITX announced it expects to launch a product into the rapidly expanding residential security market that is based around its best-selling ROSA solution.

AITX indicated that the development project will utilize technology from its wholly owned subsidiary Robotic Assistance Devices Group (RAD-G), specifically 'RADPACK-mini' which controls the device's power, communications, peripherals and handles much of its analytic processing. The second critical component of the upcoming residential solution is 'RADCam', RAD's integrated camera that features sufficient processing power to drive complex AI analytics.

AITX also confirmed that initial production will be in Q4 of this year, with a limited launch of between 1,000 to 2,500 units expected.

□ Multiple Order from Recently Signed Dealer Premier Protective Security

On May 16th AITX announced an order for 2 ROSA security robots from Premier Protective Security, a minority-owned security personnel management company with nationwide engagement.

The 2 ROSAs will be deployed as part of a pilot program at one of the nation's leading travel centers. AITX ROSA has been well received by gas stations, convenience stores and other small retail operators for its unparalleled ability to detect and deter instances of trespassing and loitering without the need for manned guarding assistance.

□ AITX Nationwide Television Ad Campaign

On May 13th AITX announced it has released its first TV ad to be used in a limited nationwide marketing campaign. The initial spot highlights AITX industry leadership role while drawing specific attention to RAD Light My Way, a personal safety and security solution produced by its wholly owned subsidiary Robotic Assistance Devices (RAD).
