

BEVEG VEGAN CERTIFIERS ATTEND FANCY FOOD TRADE SHOW IN NEW YORK CITY

Calling companies to sign up with the only worldwide accredited Vegan certification program on the planet. BeVeg Vegan Certification attends Fancy Food in NYC.

NEW YORK, NEW YORK, UNITED STATES, June 9, 2022

/EINPresswire.com/ -- BeVeg [Vegan Certification](#) will be in attendance at Fancy Food in New York City to offer companies and brands the only worldwide accredited Vegan certification program on the planet.

The BeVeg [Vegan trademark](#) is a global trademark that enables brands to independently validate Vegan product claims with confidence. This is important for the plant-based consumer and for the producer wishing to access new capital markets. The Orthodox Union (OU) offers the BeVeg Vegan certification as a bundled audit offering; meaning the audit can take place at the same time as the kosher audit for minimal factory disruption. BeVeg is ISO 17065 accredited for Vegan product/service certification.
