

clearAvenue Awarded the DOD's JAIC Data Readiness Artificial Intelligence Development (DRAID) Blanket Order Agreement

COLUMBIA, MD, USA, June 10, 2022 /EINPresswire.com/ -- clearAvenue has been awarded a spot on the Data Readiness for Artificial Intelligence Development (DRAID) 5-year Basic Ordering Agreement (BOA) with a ceiling of \$240 million. The DRAID BOA covers all the components to design, develop and deploy AI and ML activities undertaken by the JAIC. This provides a streamlined path to meeting the complexities of incorporating Artificial Intelligence into maturing systems.

"clearAvenue has a history of deploying AI and Machine learning solutions in various federal agencies such as the DOD, DHS and others. We are excited to be part of this BOA," said Dr. Srinikankanhalli, CTO of clearAvenue.
