"I am honored to receive the endorsement of an organization that works tirelessly to represent the people making a difference in our children's lives, day in and day out. I have prioritized the recruitment and retention of great teachers because I understand how critical it is to Palm Beach County's future. I'm grateful to our teachers for placing their trust in me to continue serving on the School Board," said Erica Whitfield.

Since her election to the Palm Beach County School Board in 2014, Erica has worked to increase funding for

education, raise standards, expand technology, and increase teacher pay. As a result, teachers in the Palm Beach County School District are among the highest paid in the state of Florida.
