[USA](#), a provider of technical, project and operational support services for the government and commercial organizations, was awarded the U.S. General Services Administration's (GSA) Multiple Award Schedule (MAS) contract.

Under the MAS Program, GSA issues long-term, government-wide contracts that provide federal, state and local government buyers access to commercial products, services and solutions at pre-negotiated pricing. The GSA Schedule is structured to support the 12 large categories established by the Office of Management and Budget under the category management approach of smarter buying.

In addition, the MAS Program supports GSA's Federal Marketplace (FMP) strategy of modernizing and simplifying the buying and selling experience for all stakeholders. The goal is to make it easier for customers to locate and buy products, services and solutions while reducing barriers to conducting business with the government and improving access to qualified suppliers.

The 12 supported categories are:

- Office Management
- Facilities
- Furniture and Furnishing
- Human Capital
- Industrial Products and Services
- Information Technology
- Professional Services
- Scientific Management and Solutions
- Security and Protection
- Transportation and Logistics
- Travel
