SAINT CLOUD, MINNESOTA, UNITED STATES OF AMERICA, June 14, 2022 /EINPresswire.com/ -- The Jeanne Hendricks for U.S. Congress campaign in Minnesota's 6th District announces the launch of Jeanne Hendricks first campaign video in her campaign to defeat National Republican Congressional Committee Chair and GOP U.S. Rep. Tom Emmer. The new campaign video is titled "Defending Our Democracy".

Jeanne Hendricks is the Democratic-Farmer-Labor Party endorsed Democratic candidate for U.S. Congress in Minnesota's 6th.

Jeanne Hendricks said, in regard to her campaign video launch and her campaign for Minnesota's 6th, "I believe the number one issue in 2022 is defending our Democracy. I'll defend our Democracy and U.S. Constitution from enemies foreign or domestic."

“

I believe the number one issue in 2022 is defending our Democracy.”

Jeanne Hendricks continued saying, "I'll fight for Minnesotan family values, quality health care, jobs that pay a living wage, affordable homes for every Minnesotan in an environment with clean air and water in the land of 10,000 lakes. Climate change is real and protecting our

environment must be a priority. Families need to have affordable health care and that is why we must fix the affordable care act and lower prescription drug prices. Our workers deserve a living wage. I will partner with Labor Unions, local small businesses and community leaders to make this a reality. I will fight to codify Roe v. Wade into law, and we will ensure that a woman's right to make healthcare decisions about her own body is upheld no matter what."
