

SWORD AND SORCERY APLENTY IN NEW MEDIEVAL-INSPIRED COMING-OF-AGE BOOK

THE WOLF'S DEN by Elizabeth R. Jensen

UNITED STATES, August 1, 2022 /EINPresswire.com/ -- Debut author [Elizabeth R. Jensen](#) has just released *THE WOLF'S DEN*, a charming middle-grade fantasy adventure that features an action-packed coming-of-age story, a medieval-inspired setting, likable characters and a number of life lessons.

The book, geared for readers ages 9 to 12, is a perfect addition for fans of John Flanagan's *The Ruins of Gorlan*, Andrew Peterson's *On the Edge of the Dark Sea of Darkness*, and Pedro Urvi's *The Traitor's Son*. It delves into key themes like war casualties and the mental effects of battle, and also helps teach the value of teamwork, friendship, and unyielding loyalty.

THE WOLF'S DEN has been named a Finalist in Children's Fiction by International Book Awards, a prestigious recognition for self-published and indie authors sponsored by American Book Fest.

The story revolves around three brothers...three destinies...three chances to fail. And one country hangs in the balance.

Peacetime in Etria is no time to become a knight. War lies in the past and the future is for growing new things. Swords become plows and soldiers become farmers, artists, shop owners, and poets. Everyone knows that training for a war that may never come is a waste of time, but for the three grandsons of the greatest war hero in history, knighthood isn't a choice -- it's destiny.

The three inseparable boys set off on three very different roads to knighthood. The eldest travels the straight path. The middle boy follows the crooked way of the rebel. The youngest follows the trail of legend.

The Wolf's Den

When war returns all too soon, the boys will be tested. They will hold in their hands the lives of the most powerful and important people of all of Etria. If they fail, their country may fall into darkness and horror.

But these boys were born to be knights, to protect their king, land, and people no matter the cost to themselves. In the end, they will give their all, but will it be enough?

The book already has generated positive feedback.

Says a Middle School teacher in Kansas, "I love tales filled with magic, knights, and kingdoms in peril. This book checks all the boxes and then some, and I know it will be one of those books I go back to again and again for fun and comfort."

The mother of a third grader in Georgia writes, "My third grader only reads graphic novels, but he couldn't put *The Wolf's Den* down, and it has no pictures!"

THE WOLF'S DEN is available on [Barnes & Noble](#) and other popular retailers where books are sold.

Elizabeth R. Jensen, Author

“

Jensen's story is rich with details of chivalric combat, whether it's rigorous training exercises created by inventive instructors or bloody skirmishes that shatter the Etrian peace.”

BookLife Reviews

ABOUT THE AUTHOR

Elizabeth R. Jensen is an Arabian horse breeder in Atlanta, GA. Elizabeth has a bachelor's degree in animal science, a master's of business administration, and a master's of organizational leadership. In elementary school, Elizabeth was introduced to creative writing in an after-school poetry class for gifted students.
