*GoodFirms Research*

GoodFirms recently carried out a thorough analysis and ranking of the global [digital marketing companies](#) through its Leaders Matrix program. The evaluation included a rigorous inspection of their service landscape, verified client reviews, experience in the domain, market, and competitive positioning. Such an analysis brings out strategic information about vendor capabilities, competitive differentiation, and market position.

Demand for top digital marketing companies is increasing with more businesses going digital. Interestingly, several startup digital marketing agencies are taking advantage of the increasing

requisites of marketing strategies to mark their presence and create an impact.

The GoodFirms research team assessed the companies that are specializing in digital marketing services to find the top leaders in digital marketing based on Core Competencies and a 360-Performance view. Each component integrates several factors that are considered to evaluate the legitimacy of competencies.

Further, based on the above-mentioned assessment process, each company is grouped into one of four different quadrants: Industry Contenders, Industry Leaders, Upcoming Achievers, and Market Influencers, where the service providers are mapped based on their areas of focus and their proven ability to deliver.
