The story behind a Romanian soccer team - NFT Project Yuzuka

ACS Sporting Gornesti, which participates in the Romanian soccer league and is co-owned by a Japanese, will release NFT Art in collaboration with Connectiv Co., Ltd., which operates the NFT creation platform "NFT Garden".

This project will be carried out as part of NFT Project Yuzuka, a unit project by Japanese creators who are designers working on product / web design and manga artists who continue to serialize in major magazines.

In the world of NFT, which is going through a period of change around the world, a large-scale

opensea-project-yuzuka

NFT Art project of Japanese creators was born. It is an art project that expresses the daily life and cultural background of overseas countries through the eyes of Japanese creators who grew up in oriental culture. By actually visiting the places and receiving stories from the locals, the daily life is presented as an extraordinary experience. We hope you will join us in this wonderful journey full of unique experiences.
