

# QX Global Group Earns 2022 Great Place To Work Certification

NEW JERSEY, UNITED STATES OF AMERICA, June 13, 2022

/EINPresswire.com/ -- [QX Global Group](#), a leading Business Process Outsourcing (BPO) company, is proud to announce that it has earned the 2022 Great Place to Work Certification™. The prestigious award is based entirely on what current employees say about their experience of working at the QX Global Group.

QX joins an esteemed list of companies as a Great Place to Work®, measured on qualities including trust, pride, and [culture](#). The certification recognizes QX's commitment to building a diverse, inclusive, and people-first culture.

QX team members contributed to an independently conducted survey to help inform the Great Place to Work Certification™. Survey highlights included a great sense of pride in QX, the ability to be oneself at work, and positive feelings about the company's contribution to the community.

Great Place to Work Certification™ is recognized worldwide by both employees and employers and is the global benchmark for identifying and recognizing outstanding employee experience.

"This is a tremendous honor and I want to thank all the 2,500 members of the QX family who have designated QX as one of the best companies to work for. We are constantly challenging ourselves to create greater opportunities for everyone and I am grateful that our employees feel that we deserve this recognition." said [Frank Robinson](#), QX's Group CEO.

An in-depth assessment conducted by the Great Place To Work Institute tested QX's values-based work culture. It was measured through the perceptions of its employees using the Great Place to

Work® Trust Index© Employee Survey and through the Culture Brief© and Culture Audit©.

“Our cultural building blocks, based on our P.R.E.C.I.S.E. core values, beliefs, behaviors, and how we develop people, have been the foundation of our business for years. It’s an honor to be recognized on this list because of what our people say about their experiences of working at QX. I want to thank our people for the critical role they play in making QX a great place to work,” says Rachel Thomas, QX’s SVP of Employee Experience.
